

RKNexora Internship Portal

Mentor Workflow (Complete Functional Specification)

The Mentor Portal is designed to guide students throughout their internship. Mentors monitor progress, evaluate assignments, review projects, verify reports, and recommend students for certification.

Phase 1 – Mentor Account Creation

Objective

Create a secure mentor account.

Admin Creates

- **Mentor Name**
- **Employee ID**
- **Designation**
- **Department**
- **Specialization**
- **Mobile Number**
- **Email**
- **Qualification**
- **Experience**
- **Profile Photo**

Assign

- **Internship Sector**
- **Internship Domain**
- **Colleges**
- **Students**

Output

Mentor ID

Username

Password

Phase 2 – Mentor Login

Mentor enters

- **Mentor ID / Email**
- **Password**

Dashboard Opens

Phase 3 – Mentor Dashboard

Dashboard Cards

Assigned Colleges : 12

Assigned Students : 485

Active Students : 420

Completed Students : 180

Pending Assignments : 64

Pending Reports : 18

Pending Live Projects : 25

Certificates Pending Approval : 12

Left Menu

- **Dashboard**
- **My Profile**
- **Assigned Colleges**
- **Assigned Students**
- **Internship Monitoring**
- **Attendance**
- **Assignments**
- **Quizzes**
- **Live Projects**
- **Internship Reports**
- **Certificate Recommendation**
- **Announcements**
- **Reports**
- **Help Desk**
- **Logout**

Phase 4 – Assigned Colleges

Mentor can view

- **College Name**
- **College Code**
- **Coordinator**
- **Total Students**
- **Active Students**
- **Completed Students**

Search

- **College Name**
 - **College Code**
-

Phase 5 – Assigned Students

Student List

Columns

- **Student ID**
- **Registration Number**
- **Student Name**
- **College**
- **Programme**
- **Session**
- **Semester**
- **Internship Domain**
- **Progress**
- **Status**

Filters

- College
 - Domain
 - Session
 - Semester
-

Phase 6 – Internship Monitoring

Mentor tracks

- Registration Status
- Payment Completed
- Internship Started
- Module Completion
- Learning Hours
- Overall Progress

Status

 Completed

 In Progress

 Not Started

Phase 7 – Attendance Monitoring

Mentor views

- Attendance %
- Login Days
- Total Learning Hours

- Last Login Date

Mentor can

- Mark Excused Leave (if applicable)
 - Add Attendance Remarks
-

Phase 8 – Assignment Review

Mentor receives submitted assignments.

Can

- Open Assignment
- Download Assignment
- Add Comments
- Give Marks
- Approve
- Request Resubmission

Assignment Status

Pending Review

Approved

OR

Resubmit Required

Phase 9 – Quiz Performance

Mentor views

- Quiz Score

- **Number of Attempts**
- **Pass/Fail Status**

Can recommend

- **Retake Quiz**
 - **Continue to Next Module**
-

Phase 10 – Live Project Review

Student uploads

- **Project Report**
- **PPT**
- **Supporting Files**

Mentor

- **Reviews Project**
 - **Gives Feedback**
 - **Approves or Requests Revision**
-

Phase 11 – Internship Report Verification

Mentor downloads student report.

Checks

- **Format**
- **Content Quality**
- **Learning Outcomes**
- **Project Summary**

Status

Pending

Approved

Rejected (with Remarks)

Phase 12 – Student Assessment & Evaluation

Objective

After reviewing attendance, quizzes, assignments, live projects, and internship reports, the Mentor evaluates the student's overall internship performance based on the prescribed assessment criteria.

Mentor Opens

Assessment & Evaluation

Student Assessment Form Opens

Assessment Criteria

Mentor evaluates the student on the following criteria:

Sl. No.	Assessment Criteria	Rating
1	Technical Knowledge & Application	Select Rating
2	Quality of Work & Task Completion	Select Rating
3	Initiative & Problem-Solving Ability	Select Rating
4	Communication & Interpersonal Skills	Select Rating
5	Punctuality, Discipline & Professional Conduct	Select Rating

Rating Options (Dropdown)

For each assessment criterion, the mentor selects one rating.

- ★ Outstanding
- ★ Excellent
- ★ Very Good
- ★ Good
- ★ Satisfactory
- ★ Needs Improvement

Overall Performance

After evaluating all criteria, the mentor selects the student's overall performance.

Options

- Outstanding
- Excellent
- Very Good
- Good
- Satisfactory
- Needs Improvement

Supervisor Remarks

Mentor may select predefined remarks or enter custom remarks.

Suggested Remarks

Supervisor Remarks (Select Any One)

1. **Outstanding Performance** – The student demonstrated exceptional performance and exceeded expectations throughout the internship.
2. **Excellent Performance** – The student consistently performed very well and completed all assigned tasks efficiently.
3. **Very Good Performance** – The student showed good knowledge, completed responsibilities effectively, and actively participated in internship activities.
4. **Good Performance** – The student satisfactorily completed assigned work and met the expected learning outcomes.
5. **Needs Improvement** – The student requires improvement in one or more areas to achieve the expected internship standards.

Save Assessment

Mentor clicks

Save Assessment

System stores

- **Individual Ratings**
- **Overall Performance**
- **Supervisor Remarks**
- **Assessment Date**
- **Mentor Details**

Assessment Status

- **Draft**
- **Submitted**

Phase 13 – Certificate Recommendation

When the assessment is completed, the mentor reviews the student's overall internship completion status.

System Verifies

- Attendance Completed
- All Modules Completed
- Quiz Completed
- Assignments Approved
- Live Project Approved
- Internship Report Approved
- Assessment Submitted

Mentor Selects Recommendation

- ☒ Recommended for Certificate
- ⌚ Recommended After Improvement
- ✗ Not Recommended

If "Recommended After Improvement"

Mentor selects reason(s):

- Attendance Shortage
- Assignment Pending
- Quiz Pending
- Live Project Pending
- Internship Report Pending
- Other

Output

Certificate Recommendation Status Updated.
